

Earth Expo & Convention Center Loading Dock: If coming through Norwich, the back entrance drops you right there (blue arrow). From 2A / Mohegan Sun Blvd, bear RIGHT (red arrows) and follow Cove Road past the hotel. Around the curve, the docks are on the left. OR, going LEFT, follow signs to the Winter Parking Garage. The loading dock is visible to the left of the Garage.

FREE PARKING: There is parking outside the Convention Center or in the Winter Garage. All doors are locked during the show so if you plan to need access to your car, Winter Garage is a bit closer.
